

PacB News

GENERATOR

Vol. 1, No. 1, January 2017

Our clients are important to us and we never want you to be “left in the dark”.

Therefore as of January 2017 we will be sending out “The PacB News Generator” to ensure that you are always well-informed. The

PacB News Generator will include amended pricelists and you will receive a copy monthly.

Hello 2017...

Hello brand new canopy design!

While we continuously strive to improve on our products and designs the PacB team’s primary focus was presenting the market with an improved canopy in 2017 and boy...are we proud. We look forward to hearing what you think!

It is with great enthusiasm that we wish to inform you of our first PacB Agent.

This agency is based in the “heart of Africa”, Malawi and is ready to take 2017 by storm.

The Agent is MST and all contact details are available at:

www.pacb.co.za

PacB

will be exhibiting, alongside LOVOLat the

POWER & ELECTRICITY WORLD AFRICA 2017

Expo taking place on Tuesday 28 and Wednesday 29 March at the Sandton Convention Centre.
